Update

CSO SEPARATION AREA 16.3A

October 2013

The City of Lynchburg, Wiley Wilson, and George E. Jones would like to thank you for your patience during the rebuilding of your neighborhood streets and infrastructure.

The contractor, George E. Jones & Sons, Inc., is continuing construction; the following work activities are planned. It is expected that all work will be completed this month therefore this will be the last newsletter distributed.

Aragon Street – Utility construction has been completed. Road work may continue this month. Through-traffic on Aragon Street will be blocked during the day while construction activities are underway. Street will be reopened each night and on weekends. Final paving will be completed this month.

Callahan Street – Utility work has been completed. Asphalt Overlay may continue this month

Carroll Avenue – Work is complete.

Cliff Street (1500-1600 Block) – Utility construction has been completed. Asphalt Overlay may continue this month

Gordon Street – Utility work has been completed. Asphalt Overlay may continue this month

Palm Street/Cliff Street (1900 Block) – All work has been completed.

Shaffer Street – Utility work has been completed. Asphalt Overlay may continue this month.

Stadium Road – Work is complete

Grady Street – Utility work has been completed. Asphalt Overlay may continue this month.

During utility installation, temporary construction barriers will be placed to contain the construction activities in and near the road. This temporary construction barrier will be adjusted to new locations along the affected streets from day to day. Please be attentive within the work areas and expect slow traffic during these times.

Property owners in this area are encouraged to participate in the City Rainleader Disconnect Program. Call the CSO information line at 485-7246.

Also you can visit the Lynchburg CSO website at www.lynchburgva.gov/cso
